Faucets

COM PANY profile

"Saffron" as per the name stand for "strength" and also a "valuable flower" that blends and gives a beautiful colour.

our company saffron faucet is born from saffron group which are the leading producer of cistern, seat cover and s.s.sink, Handmade kithcen sink all over india from 15 years. after a grand success of other business it started faucets manufacturing with the brand name "saffron faucets" with the mission to provide high quality products and bath accessories. we offer world class quality products , meeting international standard for indian market for the first time at very economical price tag to lead the hardware trend and meet different need of customers.

saffron faucets bath fittings is an epitome in bathroom luxury. The company was founded with a long term vision of manufacturing and supplying designer bath fittings of next generation. Our quality policy and our designing standards are worth complementary.

COSTUMER'S SATISFACTION IS OUR PRIME MOTTO
